

### **Water Service Interruption in the Whiskey Creek Water Service Area**

Due to ongoing water losses in the Whiskey Creek distribution system, water services will be temporarily interrupted throughout the day on October 25 and 26, 2023. The Regional District of Nanaimo (RDN) operations staff plan to isolate the watermains on each street to identify where leaks may be present.

**Date:** October 25 and 26, 2023

**Time:** 8 a.m. to 4 p.m.

**Location:** All streets within the Whiskey Creek Water Service Area (Hebert Road, Carson Road, Poplar Way, Broom Road, Crocus Road, Columbine Place, Foxglove Road, Harris Crescent and Marigold Place)

The above time is not definite. The RDN will be aiming to keep water service disruptions as short as possible to minimize any inconvenience to residents. Please have water on standby for all domestic use.

When service is resumed, the water may be discoloured. This is due to disturbed deposits in the pipes and is not harmful. The RDN is not responsible for any damage resulting from interrupted service.
