PricewaterhouseCoopers LLP has assessed whether the environmental management system at

## Regional District of Nanaimo Wastewater Services

6300 Hammond Bay Road, Nanaimo, British Columbia, V9T 6N2, Canada

meets the requirements of the standard noted below (the Requirements).

### **ISO 14001:2015 Environmental Management System Standard**

#### Scope of Certification

**Wastewater treatment at the sewer service areas and septage receiving areas of 4 wastewater treatment facilities and 22 pump stations managed out of the administration office of the Regional District of Nanaimo.**

Management is responsible for ensuring the management system meets the Requirements. Our responsibility is limited to assessing whether management has demonstrated that the Requirements were met. Our assessment was conducted in accordance with ISO 17021 management systems assessment standard and, accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met.

A description of our responsibilities for the assessment of the management system is located at [www.pwc.com/ca/certificate](http://www.pwc.com/ca/certificate). The ISO standards can be found at [www.iso.org](http://www.iso.org).

Based on our assessment, the management system met the Requirements, in all material respects, as of 23 February 2023.

The validity of this certificate is subject to satisfactory annual maintenance assessments.
